

**LA SALLE SPIRIT COMMUNITY COUNCIL
NEWSLETTER**

The new sport season has come upon us starting with bowling in September and basketball in October. Other sports available are snowshoeing throughout the winter, track and field in the spring and softball during the spring/summer season.

Thank you to all the coaches and volunteers for donating your time. Our athletes will greatly benefit from everyone's patience, enthusiasm and expertise.

Our new Community Coordinator is Tracy Cormier and Assistant Community Coordinator is Janet Morton. We wish Tracy and Janet great success in their new positions.

Registration night was held at the Sandwich West Public School and was a huge success with many returning athletes as well as new ones. A draw was held for Windsor Spitfire tickets and an autographed hat. Congratulations to Don Malette!

The bowling league had a Halloween party on October 31, 2010 at the LaSalle Bowling Alley.

The LaSalle Spirits Club will be receiving a donation on November 13th at the K of C annual banquet.

There will be no basketball practices for the month of December at the Sandwich West Public School. Stay tuned for changes in practices for the competitive basketball teams.

The annual LaSalle Santa Claus Parade will be held on December 5th. Stay tuned for further details.
